ACTIVATOR PROCLAMATIONS

GEORGETTE STAR MA. D.MIN

LIFE PURPOSE ACTIVATION PROCLAMATIONS

1. **LEADER:** I am a portal of awareness, independent, creative and original. I contribute to the evolution of humanity with my unique energy, ideas, expression and leadership.
2. **PEACE MAKER:** I am a harmonic embrace of duality. I generate new possibilities for peace in complexity. I contribute to the evolution of humanity by the peace I generate within our world and myself.
3. **ARTIST:** I am the artist of my life! I practice the arts of living, joyful in the creative process. I contribute to the evolution of humanity through playful inspired self-expression bringing light into the darkness.
4. **BUILDER:** I am a devoted builder and understand the spirit of work as love in action. I concentrate my ideas into practical structures in the material dimension. I contribute to the evolution of humanity by building stable, solid foundations and forms through which creativity can flow.
5. **CHANGE AGENT:** I am curious, adventurous and freedom loving. A catalyst for change and new freedoms, I contribute to the evolution of humanity by transforming oppression or limitation into new realms of possibility.
6. **CARE PROVIDER:** I am an openhearted and responsible care provider. I am a natural teacher. I contribute to the evolution of humanity through love, compassion, kindness and the promotion of justice to others.
7. **SCIENTIST-MYSTIC:** I am connected to inner sources of knowledge, wisdom, and guidance. I explore these through gifts of mind and intuition. I contribute to the evolution of humanity by withdrawing from outer focus to discover all there is within and then sharing my discoveries.
8. **MANIFESTOR:** I am an energy exchange with the world. I interact in the marketplace of life through the process of manifestation. I contribute to the evolution of humanity by owning my power and using it to create structures that express and actualize my values.
9. **HUMANITARIAN HEALER:** I am wisdom attained. I embrace the global heart of the world through webs of interconnectivity and evolutionary possibilities. I contribute to the evolution of humanity through my commitment to heal separation and experience oneness as a healing presence.
11. **INSPIRED MESSENGER:** I am an opening for the Divine in this world. I am a messenger for inspirational energy and information.
I contribute to the evolution of humanity by providing a conduit of inspiration for the benefit of all.
22. **MASTER BUILDER:** I am a conduit for vast, expansive inspired ideas of global proportions. I contribute to the evolution of humanity by revealing possibility and translating big picture ideas into tangible reality.
