

Life Purpose Archetype Number 8

The world receives my gifts and reflects them back.

Manifestation

If your **Life Purpose** is symbolized by Archetype Number **8**:
You are a **Manifestor**

The Archetype Number 8 symbolizes our capacity to manifest needs and desires, hopes and dreams from thought to reality, and from heaven to earth! On this pathway of development, we discover our power to bring our gifts into the marketplace of life and engage with the world, including the exchange of energy with others through the medium of money and other assets.

The Octagram, or Eight Pointed Star, is a symbol of Number 8. It has a variety of different meanings based on the interpretation of the culture or spiritual system that is using the symbol. From the Judeo-Christian perspective, the eight-pointed star represents new beginnings. The Octagram also represents duality. Each point of the square represents the four cardinal directions and the four elements: air, water, earth and fire. When this symbol is viewed as 2 overlapping squares, the top square of the Octagram represents the positive aspects of the elements, and the bottom square represents the negative.

For the Archetype Number 8, when you are centered and aligned, you:

- Are motivated to actualize your ideas and aspirations from a deep place inside
- Understand success and prosperity can be experienced in all dimensions of human experience
- Love to make things happen
- Believe the Universe is abundant and that you exist in a field of infinite possibilities.
- Have a strong drive for mastery that shows up in many areas of your life
- Are at your best when doing something that will lead to an impact in the world
- Understand the right use of power
- Prioritize the development of your ability to consciously create
- Are willing to make great effort to be successful
- Need to be successful in a way that also contributes to the well-being of others
- Love to magnetize people, opportunity and resources to me
- Find others are attracted to your power and ability to get things done

When stressed, triggered, in need of healing or additional leadership skills, you may:

- Be overly driven to create or make things happen
- Not understand, or have patience with, people who dream but don't do anything about it
- Have lots and lots of great ideas but don't know how to bring them through to reality
- Avoid doing the work required to manifest
- Not believe you have the ability to manifest
- Misuse your position of power to get what you want at the expense of others
- Go too far in contributing to others and foster co-dependency

Life Blessing

- Give money away to prove to yourself that you are valuable
- Feel unworthy and believe you are not enough
- Be good at getting things done but often fail to check in with your Higher Self to make sure the items on your 'to do' list are motivated from a true sense of living in alignment with your Life Purpose
